                         Web Design      Design Production  
                         Lithography      Book Arts

## SKILLZ

Macintosh/PC based platforms  
Illustrator CS, CS2  
Photoshop CS, CS2  
InDesign CS, CS2  
Basic HTML - Dreamweaver MX, Flash MX  
Heidelberg GTO Offset Press  
Vandercook SP20 Letterpress

## EXPERIENCE

**The Chronical Printing**  
Winter 2008-Spring 2008  
Press Assistant

As a Press Assistant my job was to assist the Press Operator before, during, and after press runs. This includes press set-up, adjustments, and maintenance in order to meet project deadlines along with efficiency standards.

Contact:              Tom Thunell  
                                 Print Production Manager  
                                 360.736.3311

**WWU Prevention & Wellness Center**  
Fall 2005 - Spring 2007  
Graphic Designer

Graphic Design for a wide variety of promotional (advertisements, posters, hand-bills, banners, logos, etc.) and non-profit applications. This job has given me a chance to see what it's like to practice as a solo designer. As a solo designer I learned how to communicate my ideas with clients and how to create, manage, and follow an organized work schedule.

Contact:              Maggie Feeney  
                                 PWS Grants Coordinator  
                                 360.650.7918

**Centralia Community College**  
Fall 2004 - June 2005  
Graphic Design Assistant

Designed event calenders, newsletters, catalogs, and forms. Working one on one with a professional designer taught me about the types of skills one needs to be a successful designer.
